hi, Jason. here's a mark-up of the main report indicating my suggestions for revisions to be consistent with what the SAB **Ex. 5 Deliberative Process (DP)** if you want to discuss it, so that i can re-orient you on how the document is laid out and on my "global vision" for revision, just let me know. i'm in all next week (and the week after that, and the week after that, and....). or if you have alternative ideas and/or questions, we can discuss those too. i also attach the appendices, in case you want to refer to stuff there or make any revisions there **Ex. 5 Deliberative Process (DP)**

Ex. 5 Deliberative Process (DP)

PLEASE PUT ALL REVISIONS IN TRACK CHANGES!!!

(the versions i 'm giving you are separate from the versions i'm concurrently working on, so i'll have to transfer all your revisions into my working draft.)

after you're done, we'll ask Sury to review it, as a courtesy. hopefully, it will go quickly and not take too much of your time, but if you're still working on it after 2 weeks, please touch bases with me and let me know how much longer you think will be needed.

THANKS!!
